AMENDMENT TO THE REGULATION
OF THE INSURANCE CODE OF PUERTO RICO

Section 1. - By virtue of the provisions of Section
Act. 77 of June 19, 1957, as amended, I hereby give notice to the
insurance industry, the insurance consumer, and to the general
public that Rule XXVII of Regulation of the Insurance Code of
Puerto Rico, has been amended as follows:

RULE XXVII
DEFINITION OF MARINE INSURANCE

Legal Authority: Section 4.050
(Amended on December 13, 1960; and on
September 7, 1977)

Marine and/or Transportation policies may cover under the
following conditions:

OCEAN MARINE

A. Imports

(1) Imports on consignment may be covered wherever the
property may be and without restriction as to time, provided the
coverage of the issuing companies includes hazards of transportation.

A shipment "on consignment" shall mean property consigned
and instructed to a factor or agent to be held in his care, or
under his control for sale for account of another or for exhibit or
trial or approval or auction, and if not disposed of, to be returned.

(2) Imports not on consignment in such places of storage
as are usually employed by importers, provided the coverage of the
issuing companies includes hazards of transportation.

Such policies may also include the same coverage in
respect to property purchased on C. I. F. terms or "spot purchases
for inclusion with or in substitution for bona fide importations.

An import, as a proper subject of Marine or Transportation
insurance, shall be deemed to maintain its character as such as
long as the property remains segregated in the original form or
package in such a way that it can be identified and has not become
incorporated and mixed with the general mass of property in Puerto
Rico, and shall be deemed to have been completed when such property
has been:

(a) Sold and delivered by the importer, factor or
consignee or

(b) Removed from place of storage as described in
paragraph "2" above and placed on sale as part of importer’s stock
in trade at a point of sale distribution; or

(c) Delivered for manufacture, processing or change in
form to premises of the importer or of another used for any such
purposes.

B. Exports

(1) Exports may be covered wherever the property may be
without restriction as to time, provided the coverage of the issuing
companies includes hazards of transportation.

An export, as a proper subject of Marine or Transportation
insurance, shall be deemed to acquire its character as such when

designated or while being prepared for export and retain that character unless diverted for domestic trade, and when so diverted, the provisions of this ruling respecting domestic shipments shall apply, provided, however, that this provision shall not apply to long established methods of insuring certain commodities, e.g., cotton.

INLAND MARINE

C. Domestic Shipments

(b) Property shipped on consignment for exhibit, or trial, or approval or auction, while in transit, while in the custody of others and while being returned.

(2) Domestic shipments not on consignment, provided the coverage of the issuing companies includes hazards of transportation, beginning and ending within Puerto Rico, provided that such shipments shall not be covered at manufacturing premises nor after arrival at premises owned, leased or operated by insured or purchaser, nor for more than 90 days at other place of storage or deposit, except in premises on transportation companies or freight forwarders, when such storage is incident to transportation.
